

Hi CVIDS folks,

It's time to place your bids in silent auction. The plants can be picked up and paid for at the upcoming CVIDS Fall Sale which will be held in Monticello at Riverside Gardens on August 28, 2010.

The minimum bid listed is approximately half the Eureka average price unless the plant wasn't listed in Eureka. In that case, I tried to find the plant listed at the hybridizer's website, and in a few cases I had to guess. The rules are the same as past years:

1. Make your bids in uneven dollar amounts.
2. Send your bids to Jan Null, 19448 122nd Ave., Monticello, IA 52310 postmarked by August 21st or you can also e-mail Jan at jlpn@n-connect.net. To be fair to all, I DON'T TAKE LATE BIDS! Don't send payment at this time.
3. Winners will be notified before the fall sale as to which cultivars they won.
4. The plants will be delivered to the Monticello sale and distributed at that time. If you can't attend the sale but are a winning bidder, plants will be shipped as needed for an additional charge.
5. If you're growing a plant, it's YOUR responsibility to get that plant to Monticello. All plants available for auction NEED to be at the sale. If you can't deliver it, make arrangements for someone else to bring it for you.
6. In case of ties, the earliest postmark or e-mail wins.

In fairness to all, my bids will be made before this list is mailed and given to Brenda for safe keeping.

Happy bidding,
Jan Null
