I will have a few new seedlings in bloom this year in another bed. These may be dug during your visit upon selection from plants that are blooming or have bloomed. These are from top-notch parents but are only \$6.00 for each clump. The seedlings with green tags are not for sale.

Some cultivars that are on display only include: Water Drops ,
BlueBeat , Big eyed Butterfly , Get Jiggy , Lavender Blue Baby , Rings of Wonder ,

Directions to the Garden
Fort Madison, Iowa 52627-9535

Gerald Hobbs

I am located just west of Fort Madison on Highway 2 about eight-tenths of a mile west of the Highway 61 junction. I live in a cream colored house, high on a hill, located on the north side of Highway 2. It is west of Bill's Cycle Shop. Our sign is on the driveway, come see us!

I encourage you to come for a visit and make your selections during the bloom season (A call ahead is appreciated to 319-372-4178) Peak bloom is usually about the first week of July although I have bloom from June into Late August. You will enjoy looking at our seedlings, but perhaps would like to purchase some to enjoy at home. Any plant under \$10 may be taken from late April thru May.

Also of interest is our hosta collection of which I have approximately 50 varieties and about 20 varieties of ornamental grasses. As with the other perennials, hostas and grasses are available for garden pick-up. I ship only daylilies and they will be sent in late August or early September. I generally ship on Monday, Tuesday, or Wednesday to avoid weekend holdovers. I also enjoy sending gift plants of our choice on large daylily orders. In the east bed are some of my seedlings saved through the years that may please you at \$5.00 each. Any plant under \$10 may be taken from late April thru May.

I will have a few new seedlings in bloom this year in another bed. These may be dug during your visit upon selection from plants that are blooming or have bloomed. These are from top-notch parents but are only \$6.00 for each clump. The seedlings with green tags are not for sale.

 Daylilies 2009
hobbshilltopgardens@msn.com phone 319-372-4178

Greetings!

I thank the many of our friends for your visits and orders last year. I work hard to put our daylilies in your gardens. Where else would someone dig daylilies for under \$5.00? I cater to area gardeners and dare not advertise nationally at these prices. Despite this I sell out of a few each year and replace them with some of the best available, and reduce prices on expensive ones each year!

I substitute only with your permission, so if substitutions and acceptable please give us some suggestions. I enjoy giving bonus and may select it from your substitution list. Substitution will be of equal or greater value.

Daylilies have been kept a secret for too long and they just keep getting better. Join the passion!

Gerald Hobbs

I ship double division plants. Send full payment with order. \$7.00 handling fee with each order shipped plus 25 cents per plant for each plant over 5. I ship toward the end of August into September. The garden is state inspected. Any plant under \$10 may be gotten late April thru May if you desire

name _____
 phone _____
 street or RFD _____
 city _____ state _____ zip _____

May I substitute with equal or greater value for varieties sold out? Yes ___ No ___

Minimum order is \$15.00 for shipped plants—no min. or ship cost for pick up at house!
